OLD HOMESTEAD NO.1
HURON, OHIO

The Old Homestead-on-the Lake Association is a unique residential community. We take pride in our property and consider it a privilege to live on the lake. The purpose of publishing this brief set of Rules and Regulations is to reacquaint members, occupants, and guests with the rules by which we live and to make living in Old Homestead reasonably safe and enjoyable.

All Association members, occupants, and guests are encouraged to be familiar with these Rules and Regulations. Members who lease their homes must provide the Rules and Regulations to the occupant prior to leasing. It is the member's responsibility to ensure that their occupants and guests are familiar with and follow these Rules and Regulations.

Our goal is for these Rules and Regulations to clarify expectations for residing at Old Homestead to help us all live together in the community spirit that is Old Homestead.

4. Focus on using firewood types that naturally smoke less.
5. Take time to build a fire that starts quickly and burns long

It doesn't take much to be a good neighbor

The Association through the elected Board of Directors has the right to regulate the Common Elements and is responsible for the upkeep of shrubbery, trees and other improvements on the Common Elements. This system helps to improve the value of all properties and maintains the integrity of Old Homestead No.1.

Members, Occupants, and Guests who do not serve on the Board are prohibited from communicating with, giving work instructions to, harassing, or otherwise interfering with any contractor hired by the Association whether the contractor is on the Property or not. This requirement is not intended to reduced service. This requirement ensures the contractor is performing the work according to the agreement executed by the Board, and helps the Association maintain a good reputation with the trades community. Any Member, Guest, or Occupant violating this policy will be assessed all damages incurred by the Association, including, but not limited to correcting work performed not in compliance with the agreement, retaining a new contractor, and the cost to have the contractor return to the Property.

SPEED LIMIT AND PARKING:

The speed limit on all Old Homestead No.1 streets is 25 m.p.h.

Because there are many walkers and runners using our streets in the summer, every driver is required to obey "STOP" and speed limit signs and to be extra alert and courteous to all. (The population of our neighborhood often doubles in the summer months.)
